To our amazing church family,

Thank you so much for all the gifts and words of encouragement that you showered on our family last Sunday. The food was delicious, our spirits are uplifted and energized for the task at hand, and there are lots of date night options in the wallet. ☺ We so appreciate you all! It is a pleasure to serve in leadership here at Life Fellowship. We love you!

Galen & Marcy

Dear church family,

I wish you could have seen excitement as our family gathered around our kitchen island and we opened the gifts and cards. It has always been special to them! Here is a big thank you from all of us. We loved the variety of gifts. Your generosity blessed us, and your words of encouragement went deep as well, touching our hearts. We are again reminded of the huge impact the church family has had on our journey the last number of years, Thank you for your care and encouraging us in our leadership role. We love you and pray that God would lavish his love on you as you have on us!

Doug & Diane
